

IEPI Indicators Workshops

Come learn about important changes to the indicators for this year and hear an update on the Chancellor's Office PRT related to SSSP, SE and BSI program plans.

General Information

Join us for the IEPI Indicators Workshop! We will be discussing important changes to the indicators for this year. We also will discuss best practices for using the indicators and goal setting processes so they have the greatest usefulness in advancing your college's success. Several colleges will present specific strategies and processes that they used. You are also encouraged to bring a team from your college of key people involved in using indicators for planning. Each college registered will have their data provided at the workshop for use during a team activity. A representative from the CCCCCO will also review the progress of the Chancellor's Office PRT process.

Workshop Schedule/Registration/Cost

Registration is required through Eventbrite. There is a \$50 per-person registration fee for attending. Registration includes lunch. Participants are responsible for travel and any parking costs. Workshops are tentatively scheduled from 10:00 am - 3:00 pm.

Workshop Locations

Date: Monday, November 28, 2016

Location: College of the Canyons, Santa Clarita

Registration link: <https://indicatorscoc.eventbrite.com>

Date: Friday, January 13, 2017

Location: Santa Rosa Junior College, Petaluma Campus

Registration link: <https://indicatorsbayarea.eventbrite.com>

Who Should Attend?

Each college is highly encouraged to send a team of representatives comprised of researchers, faculty members (especially those involved in the local senates or in planning), deans and vice presidents.

Questions?

For questions related to workshop registration, contact Maureen Akal at Makal0361@icloud.com or (630)337-3004.
