CONSTRUCTION ALERT-110

Upcoming Construction Activities

- **East Pump House & Fire Water Upgrade – Excavation for New Fire Water Line**

Excavation and installation of the new Fire Water Line will take place on a Nightshift basis between **Monday, 11/01/10** and **Friday, 11/12/10**. Work will begin at **10.00pm** and finish at **8.00am** daily.

**Location:** On **Southwest Drive** from entrance to Parking Lot 8 to the corner at the Warehouse/M&O Building per attached Plan.

**Impact:** During this time **Southwest Drive** will be **CLOSED**, **Monday to Thursday from 10.00pm to 5.00am**. Fire Access will be maintained at all times. Appropriate “Road Closed” signage and plastic bollards will be positioned in advance and Construction/Safety personnel will direct traffic and pedestrians accordingly. Open excavation will be fenced at all times.

**Pedestrians should enter the site from Denker Avenue and should park in Lot 8 until the road re-opens at 5.00am.** The ADA path of travel will be maintained open at all times.

Issue Date: October 28, 2010
