The Financial Aid Process

Applying for Financial Aid Online

Step 1

File a 2012-2013 Free Application for [Federal Student Aid](#) (FAFSA) at www.fafsa.gov. Our school code for the application is **007047**. Apply as earlier as possible.

Make sure to use an email address that you will check frequently. All correspondence will be by email.

Step 2

Check your email for a *Document Tracking Letter* which will give you further instructions and any needed documentation. Most documents can be submitted online.

Dependent students who are chosen for verification will need to submit a paper *Verification Worksheet* that has a parent signature. The link for the worksheet can be found in the online verification page.

Step 3

All students will need to complete online forms. Online forms can be found at www.lasc.edu.

- Click on "Register for Classes" and Select "Online Forms"
- **Select your Financial Aid Processing School.** The day you submit these forms is your Priority Date. We will process financial aid for students in priority date order, so do this at once. [CLICK HERE](#) for more help.
