DR. ALLISON P. MOORE

[Home >>](#) [Business Dept >>](#) [Faculty >>](#)

Welcome to the webpage of Dr. Allison P. Moore, Associate Professor of Accounting at Los Angeles Southwest College. I am a Certified Public Accountant and have practiced in public [accounting firms](#), private companies and non-profit entities. I bring a wealth of experience to the discipline of Accounting and I am looking forward to sharing that experience with the students of Los Angeles Southwest College.

Contact Dr. Moore: mooreap@lasc.edu

This semester, spring 2013, I am [teaching Accounting I](#), Accounting II and Accounting 17 (Payroll Accounting). The class times, syllabi, textbooks and other information that you will need are listed below each class. Additionally, I have provided links that I believe you will find helpful as you study accounting or as you consider accounting as a possible career choice.

This semester my Accounting I and II classes will be taught in the hybrid format. In general, classes will meet only one day of the week.

[ACCOUNTING I:](#) [SECTION 0600 & 3610](#)

Meeting Time & Location: Tec 270
Sec 0600: Mon 8:30 a.m. - 11:00 a.m.
Sec 3610: Mon 6:30 p.m. - 9:00 p.m.

Because this class is taught as a hybrid, we only meet one time per week in person (on Monday mornings). There is, however, a great deal of work that must be done independently.

Syllabus:
Sec 0600: [Acct I spring 2013 Section 0600 Syllabus](#)
Sec 3610: [Acct I spring 2013 Section 3610 Syllabus](#)
