**Answered question:** 9

**Skipped question:** 0

---

**Pie chart showing responses to the question: Were you satisfied with the answer to your question(s)?**

- Yes: 44.4%
- No: 22.2%
- N/A: 33.3%

---

Since no further questions are asked in the visible text, the survey appears to have concluded with a question about satisfaction with the answer(s). The response distribution is as follows: 44.4% of respondents answered yes, 22.2% answered no, and 33.3% left the answer as N/A. The chart visually represents these percentages, reinforcing the textual information.
E-Advising Survey

Would you recommend the E-Advising service to other students?
