SIS Modernization
Implementation Strategy
Revision

August 2013
SIS Modernization Strategy Revision

- Current Situation
- Strategy Revision Evaluation/Impact Determination
- Considerations
- Timing/Major Milestones
SIS Implementation Strategy Revision

- Concurrent implementation of all 9 Colleges

Evaluate:
- Scope
- Schedule
- Budget
- Contract
- Statement of Work
- Resources
- Warranty

Determine Impact:
- SIS Development To Date
- Business Processes
- Interfaces – Dependencies
- Parallel Processing
- Quality and Security
- Data Migration – Shared Data
- Infrastructure
- Integrated Testing
- Synchronization Between Systems
- MIS Reporting
- Student Access – Portal
- Contingency Planning
- Risk Management
SIS Implementation Considerations

• Minimize:
  – Obstacles or confusion to Students and LACCD Administration
  – Complications

• System launch (timing) in conjunction with critical processes:
  – Admissions and Registration
  – Financial Aid
  – Matriculation - SB1456 Launch
  – LACCD State Funding – MIS Reporting
SIS Revised Implementation Timing

Major Milestones
- Module xx

- Sept 2013 - Dec 2013
- Jan 2014 – Dec 2014
- Jan. 2015 – Dec 2015
