Online Library

Our on-line computerized library catalog is accessible both on and off campus. Library research may now be done at home using one of the many remote access electronic databases.

Library Card

Your student I.D. card with the current semester sticker is also your library card.

Only currently enrolled students with their I.D. or staff/faculty may check out materials from the library.

If you do not have a current semester sticker or photo I.D. card, you can obtain I.D. from the Assessment Center in the Student Services Building, room 204 and a sticker from the Business Office in room 103.

Reserve Books

Some instructors may put a copy of their current textbook on reserve in the library. Only one reserve item may be checked out at a time for in-library use. Books on reserve may be checked out for two hours only for in-library use.
