What to do if your login fails:

1. You can use the RESET PASSWORD / FORGOT PASSWORD routine. Tutorial Link: <https://community.canvaslms.com/docs/DOC-1517>
 2. Your email account was created with your LACCD student email (xxxxx@student.laccd.edu). So if you did not add another email and change your notifications, use your LACCD student email with the password reset functions.

Important Notes:

- *Most instructors don't make Canvas courses accessible until the first day of the term.*
- *It can take up to 24 hours after you add a class for your account to become active in Canvas.*

If you are able to log in to Canvas but cannot access your course, verify that you are on your instructor's Canvas roster. There are occasional delays between updates on the official roster and the student accounts on the Canvas site. The instructor will be able to tell you if you appear on this roster.
