# *ROSTER MANAGEMENT*

## *Admissions & Records Deadlines*

Deadline to Add a Class (Permission Numbers REQUIRED)	September 9, 2017
Deadline to drop without a "W"	September 10, 2017
Deadline to Drop with full refund or no fees	September 10, 2017
Deadline to Drop and receive a "W"	November 19, 2017

**The Office of Admissions and Records communicates with permanent and adjunct faculty via campus email. Please check your campus issued (LASC) email regularly. We provide important dates and deadlines and reminders about mandatory exclusions and grading. Maintain your census roster from the first day of class through to the Census Date. You must keep your census roster for at least 3 years. Do not turn your Census Roster in to Admissions and Records (Exception: Faculty teaching classes with TBA hours). All faculty must exclude students who never show up to class, or who stop attending as of the Census Date. We must have 100% faculty participation in the mandatory exclusions process. You are also required to report if you have no students to exclude. The second mandatory exclusion process occurs towards the 60% of the term, where you are required to exclude students who have stopped attending, and provide their last date of attendance. This process also requires 100% participation. And finally, you must submit final grades by the deadline. Our email reminders to you will help us achieve that goal.**

Please review the "Fall 2017 Important Dates & Deadlines" reference sheet from Admissions & Records for detailed information on deadlines.

If you have any questions regarding your roster, please feel free to contact Admissions @ (323) 241-5321 or your Dean or Department Chair.

## *ATTENDANCE ACCOUNTING*

All classes require attendance accounting.

Classes are categorized in one of three ways:

- Weekly Student Contact Hours (WSCH);
  - Daily Student Contact Hours (DSCH); or
  - Positive Attendance (PA).
- 
- WSCH classes are scheduled from the beginning to the end of the semester with the same meeting days and time. WSCH classes generate the highest rate of revenue for the college. (Fall & Spring semesters only)
  - DSCH classes are short term and usually meet for eight weeks of the semester or less with regular meeting days and time. DSCH classes generate the second highest rate of revenue.
  - PA classes are open/entry or meet less than six times during the semester. Attendance Accounting for PA classes is the actual number of hours of attendance for each student.

**Students attending classes must be officially registered in the appropriate section number. Do not allow students who are not listed on your roster as "Enrolled" to remain in your class. Please issue a Permission Number to students you wish to add, who are not officially enrolled, and inform**

them of the deadline to add and the expiration date of the Permission Number. The last day to add is Sunday, September 10, 2017. Students who are not officially enrolled (i.e. whose names do not appear on your roster) by the census date, Monday, September 11, 2017, should be excused from class.

Students who have not attended class should be noted as a “no show” on attendance forms and should be excluded using the online Drop Roster. Instructors must log into the Student Information System on our home page ([www.lasc.edu](http://www.lasc.edu)) to access the Drop Roster. The deadline to exclude students who are not present or who stopped attending as of the census date is Tuesday, September 19, 2017.

## **CENSUS DAY**

Apportionment for student enrollment is received from all students enrolled *prior to Census Day*. Students must be enrolled prior to this date for the college to receive DSCH funding. Students registering in semester length classes after this date do not generate state funding.

**Please note:** Admissions and Records will not accept or process expired permission numbers. Requests for “late adds” are approved on a case-by-case basis require a new Permission Number with a new expiration date. Upon approval of your Dean, Admissions and Records will provide new Permission Numbers with new expiration dates to allow students to add late.

## **~COURSE REPETITION & ACTIVITY REPETITION~**

The LACCD Board of Governors adopted regulations that limit apportionment for enrollment in a single credit course to three enrollments, with specific exemptions.

Enrollment occurs when a student receives an evaluative (A-F, N, NP, CR, NC) or non-evaluative (W) symbol. Limits set forth in this new regulation will affect students based on all prior course enrollments. Students will only have three attempts to pass a class. If the student gets a “W” or a grade of “NP” or “F” in a class, that will count as an attempt. Students with three or more such records of enrollment will not be allowed to repeat the course within the Los Angeles Community College District. Students may, however, petition to repeat a course a third time due to extenuating circumstances.

Exemptions to this policy include courses identified as “repeatable” such as PE and performing arts in accordance with title 5, section 55041, subdivision (c), but does not apply to enrollment in all other credit courses.

**It is a student’s responsibility to drop any classes that he or she does not attend.** Instructors may drop a student for failure to attend, but it is a student’s responsibility to ensure that he or she is officially dropped in order to avoid a record of enrollment such as a “W” or a failing grade, or a fee liability. *Please inform all students that any drops with “W” grades recorded this semester may prevent them from registering for the course again in the future. The deadline to drop without “W” grades is Sunday, September 10, 2017.*

In order to drop to avoid a record of enrollment, a student must drop the class ***before the census date***. Please refer to the Academic Calendar in the Schedule of Classes for the specific date to drop without record of enrollment. Dropping with a “W grade has consequences that *may* affect a student’s ability to retake the course. We will send out email reminders to students about the drop dates. Students should check their email regularly.

## Standards of Student Conduct/Academic Freedom

A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the College Community, students should be encouraged to develop the capacity for critical judgment to engage in sustained and independent search for truth and to exercise their rights to free inquiry and free speech in a responsible, non-violent manner.

## *DSPS Syllabus Notice*

Please include a brief statement regarding disability services in your Syllabi. This will make students aware of the college's services and helps to ensure that you receive timely notification of accommodation requests. Here is one sample statement you may want to use:

## *Email*

**The Office of Admissions and Records communicates with permanent and adjunct faculty via campus email. Please check your campus issued (LASC) email regularly, or forward your campus email to the email address that you check regularly. Admissions & Records send out important dates and deadlines and reminders about term dates, census rosters, exclusions and grading. The campus is required to have 100% submission of census rosters, 100% faculty participation on notification of mandatory exclusions, and 100% submission of final grades by the deadlines. Our email reminders to you will help us achieve that goal.**

A campus email address is created, upon approval of your teaching assignment at the District office. **Faculty members should regularly check their LASC email account as campus notices and important announcements, including those of a time-sensitive nature, are distributed via this method.**

Your user ID is the first six characters of your last name, followed by first initial of first name and first initial of the middle name (e.g. If you name is Janette Mary Washington, your User ID will be 'washinjm'. Your initial email password is the first two characters of your first name (first letter has to be uppercase – e.g. Ja), first two characters of your last name (e.g. wa), '@' symbol followed by month and date of your birthday (in MMDD format). So the initial email password for Janette Mary Washington with a birthday of July 9 would be Jawa@0709. Your campus email address would be [washinjm@lasc.edu](mailto:washinjm@lasc.edu). Instructions on how to access campus email from any internet connected computer and access to the LASC Employee Email System can be found at [http://www.lasc.edu/IT/email\\_system.html](http://www.lasc.edu/IT/email_system.html).

Each faculty member also has an email account to use for their instructional purpose (to communicate with their students). User ID for that email account will be in same format as above (first six characters of your last name, followed by first initial of first name and first initial of the middle name). The complete address for Janette Mary Washington to communicate with her students would be [washinjm@faculty.laccd.edu](mailto:washinjm@faculty.laccd.edu) and the initial password would be 8@+the month of birthday (MM i.e. 07)+the first char of last name (capitalized)+the last 4 digits of your SSN. With a SSN of 123456789, her initial password for academic email account (and for the portal also) would be 8@07W6789. You can access your faculty email and NEW Peoplesoft SIS Portal from <https://mycollege.laccd.edu>.

**Please call the I.T. helpdesk at 323.241.5075 if you need further assistance.**

## ***Field Trips***

All field trips must be approved at least one week in **advance** by the Department Chairperson, Dean and Executive Vice President. Field Trip Request **forms** are available in the Office of Academic Affairs and on the Academic Affairs webpage. **Travel out-of-state requires Board authorization or the President's authorization.** Requests for Bus Transportation and Student Release forms are also available in the Office of Academic Affairs or on the Academic Affairs webpage

[http://www.lasc.edu/administration/academic-affairs/About\\_Academic\\_Affairs.html](http://www.lasc.edu/administration/academic-affairs/About_Academic_Affairs.html)

LASC enforces course prerequisites. **Instructor approval to add a class does not waive a prerequisite.** Students who completed a prerequisite at a college outside the LACCD should be directed to the Assessment Office (SSB 204) for prerequisite clearance. Students who do not meet a prerequisite may also file a Prerequisite Challenge Form in the Assessment Office. A prerequisite challenge requires written documentation which explains alternative course work, background or abilities which have adequately prepared the student for the course

## *PRIVACY ALERT*

Do not use social security numbers or student identification numbers (including the last four digits) when posting grades. Public use of these is illegal and violates students' privacy.

## *Professional Development (FLEX) Obligation*

Every instructor has a contractual obligation to participate and report professional development (FLEX) activities. The purpose of FLEX is to provide time for faculty to participate in development activities that are related to "staff, student, and instructional improvement" (title 5, section 55720). Each faculty member is responsible for the development of his or her individual plan for professional and/or personal growth for the purpose of instructional improvement (title 5, section 55726(a)). This individual plan may encompass any combination of individually designed activities, institutionally planned workshops, conferences, and/or academic courses.

All classroom faculty shall complete and report an hourly commitment equal to or greater than the number of instructional improvement hours required. The professional development obligation for full-time teaching faculty for an academic year is 33.5 hours. For hourly teaching assignments, the professional development obligation for an academic year equals half the sum of the standard hours value of the fall assignment and the

standard hours value of the spring assignment. Failure to submit a complete Flex Report by the established deadline will result in docking of pay.

\*\*If you have questions, please contact your Department Chair or Ms. Natalie Ssensalo, Staff Development Coordinator at [ssensann@lasc.edu](mailto:ssensann@lasc.edu)\*\*

**FLEX REPORT FORMS CAN BE TURNED IN TO MS. SSENSALO AT [lascprodev@lasc.edu](mailto:lascprodev@lasc.edu). FAILURE TO COMPLETE AND REPORT YOUR FLEX OBLIGATION AFFECTS YOUR WAGES AS WELL AS YOUR FACULTY EVALUATION.**

## *Student Discipline*

The removal of students from a class by an instructor for disruptive behavior, cheating or any other violation of the District’s Code of Conduct is frequently known as the “48 hour” suspension. District Board Rule 91101.11 (b) (5) authorizes an instructor to remove a student from the class for the day of the incident and the next class meeting.

If the behavior is not corrected or if a serious incident occurs which the instructor believes to warrant more than a 48 hour suspension, please contact your Department Chair and the Chief Student Services Officer (Vice President of Student Services, Dr. Howard Irvin) immediately to intervene. Dr. Irvin may be reached at (323) 241-5298 or at [irvinhj@lasc.edu](mailto:irvinhj@lasc.edu).

Students have due process rights in cases of more serious discipline policy violations that result in suspensions of 10 days or more that will afford them an opportunity for a disciplinary hearing. No hearings are required of shorter periods of suspensions, but students have the right to request a hearing.

Our recommendation to instructors anticipating student discipline problems is to promote a positive atmosphere in classes, remain consistent in policy and practice, to publish and distribute your policies and consequences each semester in your class syllabus, and to keep good notes. It is a good idea to discuss any problems with the student before the problem escalates.

It is most important to emphasize that the instructor cannot remove a student from the class without following proper procedures. Exclusion actions can be challenged by the grievance procedure if proper procedures and due process were not followed.

## **COURSE SYLLABI**

## **Distance Learning/Online Courses**

**Ms. Jessica Drawbond SSEC 121C, 241-5370**

Online Learning courses are available in a variety of disciplines. Our course offerings are academically the same as the on-campus courses, while also meeting the same General Education and Transfer requirements as their on-campus counterparts.

These courses are designed for students who enjoy learning independently and cannot attend on campus on a regular basis, and who are comfortable using a computer. The online courses at Los Angeles Southwest College operate asynchronously, which means students may go online to do their course work at times that is convenient for them. Students have no class meetings, apart from an orientation meeting and, in some cases, examinations.

As of summer 2016, LASC is using the Canvas Learning Management System for online, hybrid, and web-enhanced courses. Instructors must complete and pass a training course to be certified in Canvas and to be eligible to teach online and hybrid classes. Part of this training addresses online pedagogy and best practices. Training and workshops are offered throughout the year. Resources and more information about LASC Online can be found at: <http://lasc.edu/students/onlineservices/index.html>.

Departments continue to develop new course offerings, so students should check the latest online course offerings at [www.lasc.edu](http://www.lasc.edu) or current schedule of classes.
