Step 1 – Apply for Admissions
Submit a complete Application for Admission online at www.lasc.edu. Your application will be processed within 48-72 hours after it is submitted. You will receive an email that explains your next steps.

Step 2 – Attend an Orientation
COMPLETE THE IN-PERSON ORIENTATION. During orientation you will receive information regarding campus resources and programs. Important policies and procedures of the college will also be covered. You must obtain proof that you have completed Orientation before you can take the assessment test.

Step 3 – Go to the Assessment Center
The Assessment Center is located in SSB-204. Trained staff will help you through the registration process. You may be asked to take the assessment test. No children allowed in the testing area. You must obtain proof that you have taken the assessment test before you can meet with a counselor.

- You have taken the assessment test at another college.

FOR MORE INFORMATION CONTACT SHAUNA CARTER, ASSESSMENT TESTING CORDINATOR AT (323) 241-5361, LOCATED IN SSB-204.
PROCESO DE MATRICULACIÓN

Derechos y Responsabilidades Del Estudiante

Paso 2 – Asistir a una orientación
COMPLETAR LA ORIENTACION EN PERSONA. Durante la orientación, usted recibirá información sobre los recursos y los programas del campus. Políticas y procedimientos importantes de la universidad también estarán cubiertos. Usted debe obtener un comprobante de que ha completado la orientación antes de tomar la prueba de colocación.

Paso 3 – Ir al Centro de Evaluación
El Centro de Evaluación se encuentra en SSB-204. Personal capacitado le ayudará en el proceso de registro. Se le puede pedir que tome la prueba de colocación. No se admiten niños en el área de pruebas. Usted debe obtener una prueba de que usted haya tomado la prueba de evaluación antes de que pueda reunirse con un consejero.

Paso 4 – Ver a un consejero (SSB-227)
Usted debe ver a un consejero para asistencia en completar su plan educacional de estudiante. NON-RESIDENT TUITION EXEMPTION (AB540)

AB 540 was signed into California law on October 12, 2001 to authorize students who meet certain criteria to pay “in state” or “resident’s” tuition rates (only $36 per unit at Los Angeles Southwest College). This includes undocumented students. To be eligible, students must:

- Have attended a California high school for three or more years (9th grade counts)
- Have graduated from a California high school or obtained the equivalent of a high school diploma (how long-ago does not matter)
- Be willing to apply for legal residency as soon as possible

To take advantage of this lower tuition rate, simply fill out the AB540 Exemption Form available in the Admissions Office and Bridges to Success. There is no maximum number of years for which you can receive this lowered tuition rate. For more information, call (323) 241-5321 or (en español) (323) 241-5281.

NON-RESIDENT STUDENTS

Starting with the summer 2009 undocumented students who do NOT qualify for the AB 540 tuition exemption shall be entitled to exemption from nonresident fees on the basis of individual financial need in accordance with regulations adopted by the Chancellor (LACCD Board Rule 8100.15). If the students meet the eligibility requirements on the Nonresident Tuition Fee Waiver (available in Admissions and Records, Financial Aid and Bridges to Success), they may be eligible to receive a nonresident tuition exemption and ONLY pay the current enrollment fee of $36 per unit. Undocumented students do not qualify for state or federal financial aid.

EXONERACIÓN DEL PAGO DE MATRÍCULA COMO NO RESIDENTE (AB540)

La ley AB540 fue firmada en California el 12 de octubre de 2001 para permitir que estudiantes que cumplan con ciertos requisitos sean exentos de los pagos de matrícula como no residentes y solamente paguen la cuota de inscripción actualmente de $36 por unidad en Los Angeles Southwest College. Esta ley incluye a estudiantes indocumentados. Para ser elegibles, los estudiantes deben cumplir con los siguientes requisitos:

- Haber asistido a una escuela preparatoria (high school) en California por un mínimo de tres años (el 9º grado también cuenta)
- Haberse graduado de una preparatoria en California o haber obtenido un certificado equivalente al diploma de preparatoria como el GED (no importa cuando lo obtuvo)

Para tomar ventaja de esta oportunidad y pagar solo $36 por unidad, simplemente complete la forma AB540 en la Oficina de Admisiones y el Centro Puentes al Éxito. No hay límite de años en los cuales usted puede aprovechar esta oportunidad. Para más información llame al -(323) 241-5281.

ESTUDIANTES NO RESIDENTES

Empezando con el verano del 2009, estudiantes indocumentados quienes no califican bajo la ley AB540, serán exentos de los pagos como no residente en base a la necesidad financiera individual de acuerdo con la regulación 8100.15 (LACCD Board Rule 8100.15) adoptada por el canciller (Chancellor) de LACCD. Si los estudiantes reúnen los requisitos stipulados en la Solicitud para la Exención de Cuotas de Matrícula como no Residente (disponible en las oficinas de: Admisiones y Expedientes, Ayuda Financiera, y Puentes al Éxito,) pueden ser elegibles para recibir la exención a cuotas para no residentes y pagar solamente la cuota actual de inscripción de $36 por unidad. Estudiantes indocumentados no califican para ayuda financiera estatal o federal.

K-12 STUDENTS SPECIAL ADMISSION

Los Angeles Southwest College may permit the admission of K-12 students who in the opinion of the President or designee, can benefit from instruction. Approval of the appropriate principal, high school counselor and parent (or guardian) is required. Approval of the Dean of Student Services is required for all applicants ages 14 and under. The intent of this program is to provide educational enrichment opportunities for a limited number of eligible 9th through 12th grade students who fulfill special admissions standards.

The college reserves the right to exclude or limit enrollment into impacted programs and in other programs where health, safety, instructional methodology, facility constraints, or legal requirements are deemed inappropriate for special admission students. Special admission students must conform to the College’s academic rules and regulations and the code of conduct expected of all college students. Some fees may be required.

K-12 students must complete the supplemental application for high school students and the LASC Application for Admission. The LASC application can be processed online at www.lasc.edu (click on the Apply for Admission link), and the supplemental application can be downloaded from our college website at www.lasc.edu, click on the “Admission” link in the menu, and then click on “High School Students” in the sub-menu. Print the Supplemental application and make sure you obtain all necessary signatures and approvals. The student must bring the completed form along with a photo I.D. to the Admissions and Records Office, SSB-102, for processing.

FEE EXEMPTION FOR SPECIAL PART-TIME STUDENTS, GRADE K-12

Students admitted as Special Part-time Students Grade K-12 and enrolling in 11 or fewer units are exempt from enrollment fees for all terms. Nonresident students who are enrolled in fewer than 6 units are exempt from enrollment fees. Students enrolled in more than 11 units will be charged enrollment fees.
EQUAL OPPORTUNITY
NON-DISCRIMINATION POLICY

The Los Angeles Community College District is committed to the philosophy of equal opportunity/equal access in all its employment, educational programs, and services. Thus, we are firmly committed to a policy of nondiscrimination on the basis of actual or perceived ethnic group identification, race, color, national origin, ancestry, religion, creed, sex (including gender-based sexual harassment), pregnancy, cancer-related medical condition of an employee, marital status, sexual orientation, age, physical or mental disability, or veteran status in our employment and educational programs and activities.

EQUAL OPPORTUNITY/NONDISCRIMINATION POLICY
COMPLIANCE PROCEDURE

In order to ensure Equal Opportunity/Non-Discrimination Policy compliance at Los Angeles Southwest College, please direct inquiries to: Dr. Patrick Jefferson, Dean of Student Services (323) 241-5298.

SUMMARY OF SEXUAL HARASSMENT POLICY

The policy of the Los Angeles Community College district is to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication constituting sexual harassment. Employees, students or other persons acting on behalf of the district who engage in sexual harassment as defined in the policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of contract. The specific rules and procedures for reporting complaints of sexual harassment and for pursuing available remedies are incorporated in the LACCD Board Rules in Chapter 15.

The Los Angeles Community College District has a policy which provides formal and informal procedures for resolving complaints. Copies of the policy and procedures may be obtained at Los Angeles Southwest College from Dr. Patrick Jefferson, Dean of Student Services (323) 241-5298. Members of the college community — which includes students, faculty and staff — who believe they have experienced conduct that may constitute sexual harassment, have the right to seek help from the college. Every employee has the responsibility to report such conduct to the Compliance Office when it is directed toward students. Potential complainants are advised that administrative and civil law remedies including, but not limited to, injunctions, restraining orders or other orders, may be made available.

Online Classes

Distance education comprises the fastest growing educational delivery mode in California community colleges. The mission of the Distance Education program at Southwest College is to promote student access and student success by integrating some of the programs and services using technology mediated instruction and to develop and promote effective distance learning paradigms.

Distance Education provides you with the convenience of attending classes in a "virtual world" without the limitations of time and travel. Please visit our Web site at www.lasc.edu, click on the For Students link and then click the Online Classes link. There you'll find a wealth of information on the Distance Education program here at Los Angeles Southwest College and it will help you decide if Distance Education and online classes are right for you. When you're ready to enroll in an online class, just visit our Online Classes Web site at http://online.lasc.edu.

What do you need to take an online class?
1. You must be officially registered for the online class.
2. You must have an active e-mail account. Regular and proficient use of e-mail and the Internet should prove helpful when taking online classes.
3. You must have a reliable computer. Our online classes are generally based on using PCs, but some courses can accommodate the use of MACs. If you have a question, ask your instructor via e-mail.
4. You must have a reliable Internet connection. Dial-up connection will work for some classes, but it is recommended that you have DSL or cable connections.

What to do if you have signed up for an online class:
You MUST have a working e-mail address in order to take an online class. Verify that your e-mail address works. Make sure your e-mail address is on your application when you go to the Admissions Office. If not, submit your e-mail address to the Admissions Office. If you’re not sure how to do this, call the Admissions Office. If you did not provide an email address when you applied for admissions, or if you need to change your email address, you must go to Admissions and Records, SSB Room 102 to provide this information. Admissions cannot accept this information via telephone or email.

To sign up for an online class means you must REGISTER for the class via the student information system at www.lasc.edu, click on the Register for Classes link. While it is not mandatory, attendance at the Orientation session is highly advisable. If possible, plan to attend the Orientation session. At the Orientation session, your instructor will be there to give you valuable information about your class and will instruct you in how to navigate the online class Website. If you are unable to attend, e-mail your instructor letting them know you were unable to attend. Include in your e-mail address, your full name, the course and section numbers in all correspondences to your instructor.

LASC is currently using Etudes as the operating systems for on-line classes. The Etudes classes are under the Etudes class information on page 18 and within the schedule of classes; directions for access and use are provided.

*Please remember that you must attend either the in-person or on-line orientation listed for online classes.
HOW TO APPLY FOR ONLINE CLASSES

To apply online go to
http://www.LASC.edu

ADMISSIONS OFFICE SSB-102

To apply online, go to www.lasc.edu and click on the “Apply Online” link at the top of the page. Once your admissions application is processed, you will receive an email informing you of when and how you can register for classes.

If you are applying on or after the first day of the semester, you must first obtain an add permit from the instructor. Bring the add permit to Admissions and Records (SSB, Room 102) where you will be allowed to complete an admissions application (if required) so that you can be registered into your class.

HOW TO PAY FOR TUITION AND FEES

Payment for classes must be done in person in the Business Office. Please note: students cannot pay fees via credit card online. See the Financial Aid Office for fee waiver information and eligibility requirements.

Fees for online courses are the same as for other LASC courses. Students taking online courses only will not be charged a health fee.

(The complete list of On-Line classes starts on page 50)
NEW AND UPCOMING REGULATIONS EFFECTIVE SUMMER 2012

Please note: The Census date is a date in which all enrollment at LASC is counted and reported to our District Office in order to determine our campus funding (apportionment).

1. All courses must be added before the census date.

2. All courses must be dropped before the census date to avoid receiving a “W” grade (receipt of “W” grades in the same course will have further consequences). The period of time to drop a course without record of enrollment has been reduced. The deadline to drop without receiving a “W” grade now occurs before the census date. Drops that occur on or after the census date will result in a “W” grade.

   - This should encourage you to make a decision to drop a class earlier
   - This will allow faculty the ability to make add decisions sooner (which will allow more students to be added – even sooner).
   - Use of the same add and drop date will reduce confusion.
   - Adding courses before census increases the number of students counted in apportionment.

The Board of Governors adopted regulations that limit apportionment for enrollment in a single course to three enrollments for any credit courses taken within the Los Angeles Community College District except for courses identified as “repeatable”, such as PE and performing arts, in accordance with Title 5, section 55041, subdivision (c).

Enrollment occurs when you receive an evaluative (letter grade) or nonevaluative (“W”) symbol, pursuant to Section 55023. You will not be able to add courses in which you have three prior attempts with record of enrollments (“W”, NP, NC, D, or F grades).

This policy applies to all prior record of enrollment. If you need to repeat a course in which you have three or more records of enrollment:

   - You may take the course outside of the Los Angeles Community College District.
   - You may petition to retake the course within the district (subject to certain conditions) with extenuating circumstances – this 4th repeat will not count in apportionment.

WHAT SHOULD YOU DO?

   - Be sure that you are academically prepared for classes that you enroll in (See a Counselor).
   - If you must drop a course, drop before the specified deadline for dropping a class without a grade of “W”.
   - See a counselor before making decisions that could affect your education plan.
   - See financial aid before making decisions that may affect your financial aid.
   - Register for classes early (on your assigned registration appointment time).
   - Read your email from the campus…we want to keep you informed of important dates and deadlines.
   - Take your education seriously…your present actions and decisions will affect your future.
