### EXEMPTIONS FROM MATRICULATION

Some students may be exempt from Matriculation. However, for students who have long-range educational objectives, and who have little or no previous college experience, full matriculation is strongly recommended.

You may be exempt from the matriculation process if any of the following conditions apply to you:

- You already have an associate degree or higher (you must have transcripts which can verify your degree)
- You have completed a college-level English or math class at another college (transcripts required)
- You have taken the assessment exam at another college within the last year (you must submit raw scores from the other college)
