EXEMPTION FROM MATRICULATION

Some students may be exempt from Matriculation however, for students who have long-range educational objectives, and who have little or no previous college experience, full matriculation is strongly recommended.

You may be exempt from the matriculation process if any of the following conditions apply to you:

- You already have an associate degree or higher (you must have transcripts which can verify your degree)
- You have completed a college-level English or math class at another college (transcripts required)
- You have taken the assessment at another college (you must submit scores from other college)

ATTENTION: All students must have a current application on file and a valid student ID number before they can test.

- The entire assessment must be completed during one sitting. Please allow approximately 1.5–2 hours to complete the full assessment. If you are not prepared to stay long enough to complete the entire assessment, please come back when you have allotted enough time. Children are not allowed in the testing or waiting areas. Please make sure you have made prior arrangements for child care.

- YOU MUST BRING A PHOTO I.D., such as a driver’s license, school photo I.D., or Department of Motor Vehicles photo I.D. to the testing session. You will not be allowed to test without a photo I.D.
