

Computer Electronics Technology Program

FIVE-SEMESTER PLAN

Courses	Spring 2006	Fall 2006	Spring 2007	Fall 2007	Spring 2008
Electronics 2 – Intro. to Electronics Day	x	x	x	x	x
Electronics 8 – Electron Devices Day		x		x	
Electronics 15 – Survey of Computer Electronics Day	Rotated Winter and Summer I Only				
Electronics 41 –Measurement & Testing Lab I Day	x		x		x
Electronics 43 – Measurement and Testing Lab II Day		x		x	
Electronics 56 – Computer Circuits Day					
Electronics 57 – Computer Circuits Lab Day	x		x		x
Electronics 111 – Intro to Computer Servicing Day		x		x	
Electronics 112 – Computer Operating Systems Day	x		x		x
Electronics 113 – Computer Networking Day	x	x		x	
Electronics 116 – Computer A+ and Network + Certificate Exam Prep Day			x		x
Electronics 118 – Network Copper Cabling Day		x		x	
Electronics 119 – Fiber-Optic Cabling Day	x		x		x

***Except in cases of low enrollment and budgetary constraints, every effort will be made to maintain class offerings as scheduled.**
