Financial Assistance is available to help eligible students defray educational expenses. Students may apply for financial aid on the BCC Web site at www.broward.edu or on the Web at www.fafsa.ed.gov. At BCC, there are priority deadline dates for filing financial aid. All of your academic transcripts from other educational institutions you attended must be evaluated and your academic progress must be approved to receive financial aid by the priority deadline date.

Students who receive assistance with educational expenses such as grants, scholarships, loans or waivers must ensure complete coverage of tuition and fees. Alternative loans and PLUS loans do not cover tuition.

Priority Deadline Dates for all required documents/information to be completed:
Fall Term: July 1, 2004 • Winter Term: Oct. 15, 2004
Summer Term: March 15, 2005

Eligible high school students may apply for admission to Broward Community College in accelerated learning programs that enable them to enroll in BCC courses while concurrently completing high school diploma requirements. Three accelerated programs allow students to increase learning and shorten the length of time needed to acquire a college degree: (1) Dual Enrollment, (2) Early Admission, (3) Credit in Escrow.

Dual Enrollment - offers high school juniors and seniors who have an overall GPA of 3.0 or higher and appropriate SAT, ACT or CPT scores the opportunity to enroll in BCC courses for high school and college credit. Application and matriculation fees are waived. Textbooks may be loaned to students.

Early Admission - high school seniors who have an overall GPA of 3.0 or higher and appropriate SAT, ACT or CPT scores may enroll full time in college and receive high school and college credit for courses.

Students must enroll in two consecutive terms, carry 12 college-level credit hours each major term, and maintain a grade point average of 2.0 in order to receive a high school diploma. Matriculation fees are waived for a maximum of 24 credit hours. Textbooks may be loaned to students.

Credit in Escrow - high school students who have an unweighted overall GPA of 3.0 or higher and appropriate SAT, ACT or CPT scores may enroll for a maximum of six semester hours of college courses each term. These credits will not be used to satisfy high school diploma requirements but will be held in escrow until the student graduates from high school. Student pays appropriate fees, including textbooks.
