

Allied Health

ALD HTH 021-Basic Life Support For The Healthcare Provider (CSU) (RPT 3) - 0.5 Unit

This course is designed to teach CPR to healthcare providers and interested students. This course covers infant, child, and both one-rescuer and two-rescuer adult CPR. Treatment of the choking patient and heart disease prevention is also included. Successful course completion earns an American Heart Association Basic Cardiovascular Life Support for the Healthcare Provider card valid for two years.

Low Textbook Cost

CH DEV 016-The Growing Brain I: From Birth to Five Years Old (CSU) - 2 Units

This course introduces the student to current research and neuroscience that explains the growth of the brain from birth to five years of age. The basics of brain growth and development will be explored, with emphasis on factors affecting brain growth, communication and language development, and cognition and executive

functioning. This course helps to translate very complex terminology and concepts related to brain growth and development so that the brain and its role in early development can be easily understood. This course is also intended for students to learn how to best support children's brain development and understand factors and experiences that can harm and protect the growing brain. This course will be taught by a certified Zero to Three - The Growing Brain Trainer.

VOC ED 353CE-First Aid and Basic CPR Training (Repeatable) - 0 Unit

This course develops knowledge and describes detailed demonstrations of basic CPR and first aid care of an injured person. Students develop the ability to respond appropriately to non-breathing and cardiac emergencies and learn how to assess a victim's condition and incorporate immediate care to a suddenly injured or ill person. Students become proficient in performing CPR, and in the use of AED as well as also explaining techniques for all ages along with emergency action plans, safety, and prevention of disease

transmission. This non-credit course leads to a Non-Medical In-Home Health Care Aide Certificate of Completion and provides students with knowledge and skills in preparation for credit courses in health.
